

Welcome to St John's Church of England Primary School

I would like to take this opportunity to welcome you to St John's Church of England Primary School. As Headteacher, I am proud to share with you our caring and nurturing school that endeavours to give our children the best opportunities in which children can thrive and exceed their potential as fully rounded individuals. At St John's Church of England Primary School, we want our children to be successful in all areas of school and community life by being: reflective, resilient and responsible.

We are a friendly and warm school, where every child is unique and their journey through school is celebrated on every twist, turn and milestone. We have a team of staff who have a passion and innate drive to provide the best learning experience, through continued professional development and a reflective approach that puts the children first. Everyone at St John's goes above and beyond to give our children not just the best education, but to provide the conditions to enable our children to be successful in all aspects of life. We believe that our staff make a real difference and that every individual child matters.

When entering our school, you will feel immediately at home: relaxed, safe and free to be yourself, which is how we want our children to be when expressing themselves in their learning. We have high expectations for all of our children, but that is not through pressure it is through belief and confidence. Our aim is for our children to be responsible citizens who make positive contributions to the community and have the desire to be the best that they can be.

Parents and Carers play an integral part to the successful development of the school. In order to achieve the best, we work together with the children at the centre of everything that we do and we value our open and transparent partnership. We encourage our parents to be involved in the daily life of the school so that we can promote high standards, excellent behaviour and positive attitudes to enable every child to unlock and exceed their full potential.

St. John's Church of England School is not just a school, it's a way of life that is built on universal and Christian Values. We believe that St John's is a place to be proud of; a place where children thrive through enjoyment and challenge.

This website aims to give you an insight in to school life, as well as to provide information for parents, carers and the wider community.

We hope you enjoy your visit to our website; it is currently being developed and we are building and improving the content that is available. If you are unable to find the information that you are looking for, then please contact the school directly on 01438 714283.
